

# ICCMST 2018

BANGKOK, THAILAND | APRIL 6 - 8

## International Conference on Composite Materials Science and Technology

### ABOUT CONFERENCE

2018 International Conference on Composite Materials Science and Technology (ICCMST 2018) will be held in **Bangkok, Thailand** during **April 6-8, 2018**. It is a great pleasure for ICCMST 2018 to invite prospective authors initiating the discussion on the challenges that need to be timely overcome and addressing key questions in the field of Composite Materials Science and Technology.

### CALL FOR PAPER

Smart Composites  
Experimental Methods  
Morphing of Composites  
Composite Structures  
Simulation in Composites  
Cement Based Composites  
Damage and Fracture  
Failure of Composites  
Experimental Techniques  
Industrial Applications  
Metal Matrix Composites  
Recycling and Sustainability  
Repair and Joining Techniques  
Physical and Mechanical Properties  
Lignocellulosic and Green Composites

Carbon and Ceramic Matrix Composites  
Processing and Manufacturing Technologies  
Auxetic Materials and Structures  
Bio-inspired Design of Composites  
Damage in Composites Structures  
Novel Composite Architectures  
Advanced Numerical Techniques  
Plate and Shell Finite Elements  
Composites in Innovative Applications  
Optimization Techniques and Methods  
Durability of Composite Materials  
Dynamics of Composite Materials  
FRP and Historic Masonry Structures  
FRP Reinforced Concrete Structures  
Composite Structures in Civil Engineering

Durability, Aging and Aggressive Environment  
Functionally Graded Materials and Structures  
Health Monitoring Techniques in Composite Structures  
Multiscale Analysis of Natural Fibre Composites  
Analysis of Wood and Natural Fibre Composites  
Laminated Composites with Material Uncertainties  
Thermal Problems on Composite Structures  
Analysis of Composite Beams, Plates and Shells  
Adaptive Functionally Graded Materials and Structures  
Modelling of Nano Composites  
Variable Stiffness Composite Laminates  
Marine Applications of Composites  
Nondestructive Testing (NDT) of Composite  
Electro-thermal Properties of Composite Materials  
Modelling and Characterization of CNT-Polymer Composites

### PROCEEDINGS

Accepted papers will be published by: **Key Engineering Materials**. (ISSN: 1662-9795) only after presentation during the conference, which will be sent for major indexing, such as **EI Compendex** and **SCOPUS**, etc.

### COMMITTEE

Conference Chair  
Takashi AMEMIYA, Nippon Institute of Technology, Japan  
Program Chair  
Xiongqi Peng, Shanghai Jiao Tong University, China

### SUBMISSION

1. Please log in the **Electronic Submission System**; (.pdf only) to submit your full paper and abstract. You need an account for submission, please register first.
2. Your full manuscript or abstract is welcomed via [iccmst\\_sec@126.com](mailto:iccmst_sec@126.com).

### IMPORTANT DATES

Submission Deadline	<b>Jan. 30th, 2018</b>
Notification Deadline	<b>Feb. 20th, 2018</b>
Registration Deadline	<b>March. 10th, 2018</b>

### SCHEDULE

April 6 | Registration  
April 7 | Keynote Speech & Oral and Poster Presentation  
April 8 | Social Event

### CONTACT US

Ms. Iris Taylor

Tel: +86 139 8006 2041 (Office Hours: 10:00-18:00 | Monday to Friday)

Email: [iccmst\\_sec@126.com](mailto:iccmst_sec@126.com)

(Your e-mail will be replied within Two working days. For any questions, feel free to contact.)
